LIVESTOCK SALES HOSTED WEEKLY IN PUKEKOHE

Pukekohe's cattle auction met with good buyer support on Saturday, and prices were right up to recent rates for all classes of cattle. A good yarding of prime cattle sold well, and yearling cattle were probably a little stronger in some places. What is obvious, is the buyer resistance to any badly reared or off bred young cattle, especially weaners. That said, buyers do reward those that are rearing good quality cattle, as they should!
