Pukekohe Sale Livestock Report

LIVESTOCK SALES HOSTED WEEKLY IN PUKEKOHE

Pukekohe's cattle auction on Saturday was held on a very hot day, followed two days later by very heavy and valuable rain! The market was very firm on killable and yearling cattle, and good weaners held their value, but anything off-bred, Jersey cross, in particular, had a spectacular correction as far as pricing is concerned. Weaner cattle values eased significantly in many saleyards over the last week. It would pay anyone looking to purchase cattle privately to visit an auction and check out pricing as there are some people panic selling at very inflated levels. It can be a very expensive mistake!
