Pukekohe Sale Livestock Report

LIVESTOCK SALES HOSTED WEEKLY IN PUKEKOHE

Saturday's Pukekohe cattle auction was very solid especially on good prime cattle, cows and good yearling/15-month stock. However, a very large yarding of weaners, many of dubious parentage, were much more difficult to move. The anticipated over supply of weaner cattle, coupled with a real urgency to sell, has caused the prices to fall a lot! This happened all over the North Island in one week, as is the way for some reason. In fact, compared to some auctions, Pukekohe was quite strong! Continued rain is needed, and renewed farmer confidence.
